Effective 6-26 we will have an automatic-aid agreement in place with Hartsel. We will be taking the calls in all of Fourmile Fishing Club subdivision, anything off all of CR 22 and all of CR 5, and anything off HWY 285 from Fairplay down to CR 22 intersection. 7's will only respond if it is a call that would require both districts.

Hartsel will be taking all CORA calls. We do not need to respond to anything in CORA unless Dist 7 cannot go or it is a significant call that will require both districts. Just tell dispatch you will be standing by unless you have to go enroute due to lack of 7's response or need.
